TOMORROW'S PRIESTS COLLECTION

Tomorrow's Priests Collection is this weekend, **May 20 and 21**. The average rate per seminarian per year is nearly \$35,000 for tuition, room and board. Funding seminary education can only be accomplished with your generosity. Please help us support our seminarians, "Tomorrow's Priests."

Anointing of the sick will be offered after all Masses on the weekend of May 27-28 for everyone that needs peace and healing.

EVERYDAY STEWARDSHIP

The Easter season is almost over. This season is always a tougher one for us Catholics. We get Advent and Lent: preparation. We are on board with Christmas, mainly because we like to keep up our decorations until someone tells us the exact day we must take them down. But Easter as a season is a bit more difficult to observe. The rest of the world has moved on. There are no Easter eggs left in store windows and all those religious movies on television have given way to reruns or season-ending episodes. It just feels like Easter anywhere ... except in the Church.

The truth is that it should feel like Easter all year-round in the Church. Every Sunday, we celebrate a mini-Easter. Our Lord is ALIVE! He is risen and alive, and we need to celebrate. We also need to be about the work of the Lord. We are an Easter people who bear witness to his resurrection through our stewardship. If he had never risen, then we would be called to nothing by no one. But he lives! As this Easter season is drawing to a close, it is prudent to reflect on what his death and resurrection mean for each of us. How has it changed us? How does it motivate us? It doesn't look like Easter in most corners of the world, so it is up to us to bring a little Easter to every place we go and to everyone we meet. Tracy Earl Welliver, MTS

PETER'S PENCE COLLECTION

Next week, May 27 and 28, our second collection will be for Peter's Pence, which provides Pope Francis with the funds he needs to carry out his charitable works around the world. The proceeds benefit our brothers and sisters on the margins of society, including victims of war, oppression, and disasters. Please be generous. ADMINISTRACION DIARIA

La temporada de Pascua casi ha terminado. Esta temporada siempre es más difícil para nosotros los católicos. Tenemos Adviento y Cuaresma: preparación. Estamos a bordo con la Navidad, principalmente porque nos gusta mantener nuestras decoraciones hasta que alguien nos diga el día exacto en que debemos desmontarlas. Pero la Pascua como temporada es un poco más difícil de observar. El resto del mundo ha seguido adelante. No quedan huevos de Pascua en los escaparates de las tiendas y todas esas películas religiosas en la televisión han dado paso a repeticiones o episodios de final de temporada. Simplemente se siente como Pascua en cualquier lugar ... excepto en la Iglesia.

La verdad es que debería sentirse como Pascua durante todo el año en la Iglesia. Todos los domingos, celebramos una mini-Pascua. ¡Nuestro Señor está VIVO! Él ha resucitado y está vivo, y tenemos que celebrar. También debemos ocuparnos de la obra del Señor. Somos un pueblo de Pascua que da testimonio de su resurrección a través de nuestra mayordomía. Si nunca hubiera resucitado, entonces nadie nos llamaría a nada. ¡Pero él vive! A medida que esta temporada de Pascua está llegando a su fin, es prudente reflexionar sobre lo que su muerte y resurrección significan para cada uno de nosotros. ¿Cómo nos ha cambiado? ¿Cómo nos motiva? No parece Pascua en la mayoría de los rincones del mundo, por lo que depende de nosotros llevar un poco de Pascua a cada lugar al que vamos y a todos los que conocemos. Tracy Earl Welliver, MTS

La unción de los enfermos se ofrecerá después de todas las misas el fin de semana del 27 y 28 de mayo para todos los que necesitan paz y curación

COLECCION SACERDOTES DEL MANANA

La financiación de la educación en el seminario sólo puede lograrse con su generosidad. Por favor, ayúdenos a apoyar a nuestros seminaristas, "Los sacerdotes del mañana".
