ST. REGIS STEWARDSHIP CORNER

How do I know if the Time, Talent and Treasure I offer God in grateful return is “enough?” What is the measure?

St. Paul tells us in the Second Reading today — the “measure” is the love that we put into each of these aspects of our lives. “If I have all faith so as to move mountains, but do not have love, I am nothing. If I give away everything I own and hand my body over so that I may boast but do not have love, I gain nothing.” God is not after a particular number. What He wants us to give over to Him is our very selves.

PRESENTATION ON CATHOLIC LITERATURE

Is there such a thing as Catholic culture? Can works of art and literature be labeled Catholic? If so, what does it mean to be a Catholic novel or a Catholic poem? And who are these Catholic writers? Join Rick Janet as he introduces well-known, and some lesser-known, Catholic writers and explores the Catholic aspects of their work. If you are not familiar with the likes of John Donne, Robert Southwell and Christopher Beha, then you will want to attend. If you are familiar with these writer, then, of course, you will attend! Mr. Janet received his doctorate in modern European history from the University of Notre Dame before starting his career as a professor at Rockhurst University in 1985. Presentations will be in Mary's room after Masses the weekend of **February 9, 10** and then continuing on Tuesday evenings **February 12 and 19** at 7pm. Presentations are free of charge.

Month 6: At 1 1/2 to 2 pounds and 12 inches long, I am twice as big as I was last month. I am sitting up most of the time to accommodate the final movement of all my internal organs. From 26 weeks, babies exhibit a whole range of typical baby behavior and moods, including scratching, smiling, crying, hiccupping, and sucking. Babies born prematurely at this time have a very good chance of surviving. Please don't forget to pray for my mother and me.
